I'm Mohammadali with 5 years of experience in web development.

The most major point that I believe that is: every problem has a better way to solve.

My teammate knows me as a hard working person.

I know that I am not great but I can be better every day.

SKILLS

In stressful situations, can be calm and then solve problems and conflicts step by step.

It's important for me to have a good plan for work and work in peace.

EXPERIENCE

RAVAN ERTEBAT ASR (AEC), Iran(Tehran) — *Front-end Developer*

Jun 2020 - PRESENT (2 years)

- I developed an enterprise web app that was used by about 20 thousand customers that has a role management system.
- It also has interactive live-report charts that monitor every device connected to this

API.

- I used Javascript, Angular, Rxjs, NgRx for the frontend and Golang for the backend
- With Rxjs I increase the UX of this web app and after that, we get a lot of great feedback from the clients
- I developed a payment facility app that saves all transactions each day and is settled at the end of the day.

FardadMehr, Iran(Birjand) — *Front-end Developer*
